Psychotherapies Training Seminars

How to Use This Website:

This website contains current and archived seminars from the Advanced Training In The Psychotherapies course.

For each of the courses: CORE, IDP 1 and IDP 2, you can watch the seminar videos, download MP3 audio files and download relevant documents for each seminar.

You can also view archived seminar videos from past years.

You will be provided with the relevant password (s) for each course that you have enrolled in.

At the bottom of the home page you will find copyright information regarding the use of the website content.

At the bottom of each video page you will also find a downloadable PDF list of the seminar videos for that course.

Should you have any problems accessing and viewing the content please contact Steen at srees1@bigpond.net.au
